

Blue Ribbon Youth Enrollment UTILITIES

Under the *Utilities* option on the Menu Bar is a list of special database activities for the Youth Enrollment System.

MEMBER CHARTS

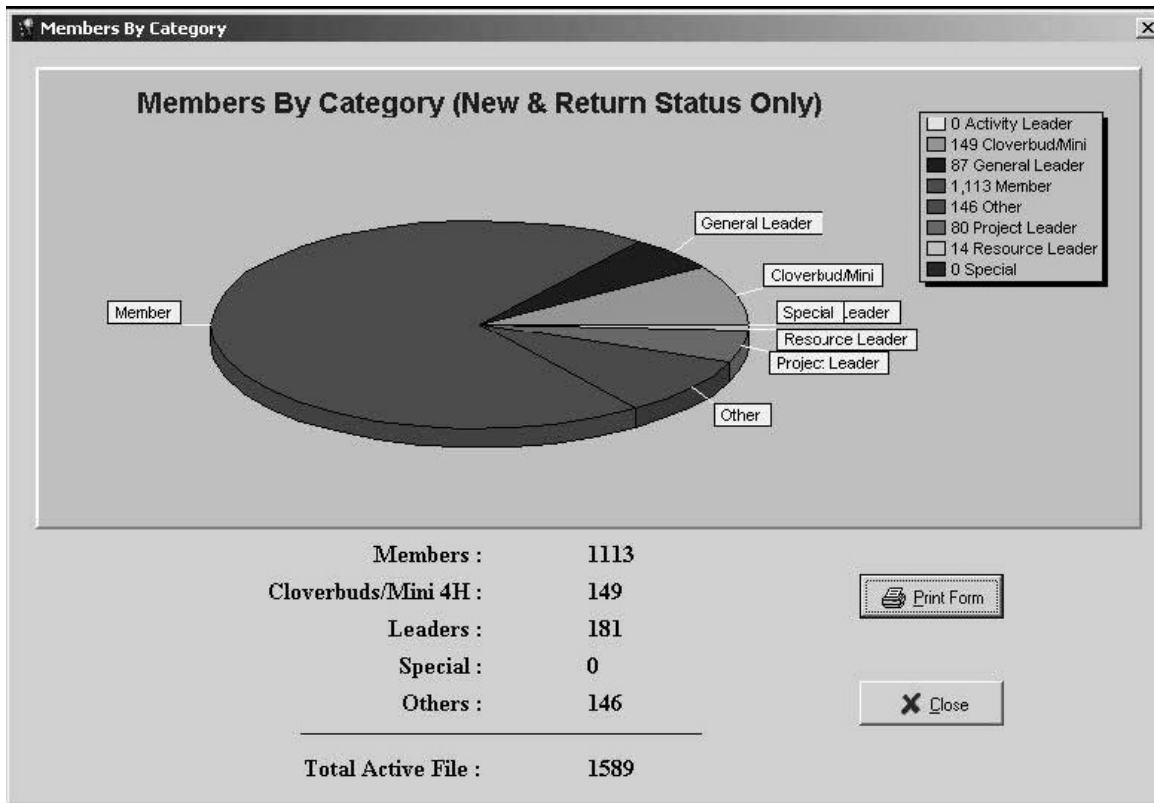

The **Member Charts** feature displays in graphical format the basic statistical information concerning the New and Return members based on data stored in the Member/Leader file. These charts can be displayed as follows:

- Members by Category

- Members by Grade
- Members by Race
- Members by Residence
- Members by Status

Following is an example of a **Members by Category** graph:

A Print Key is available on each screen to send the graphical display to the default printer.
