### Re: 2010 Ohio Volunteer Award Winners

January 11, 2010

Greetings Colleagues,

Thank you for all the nominations that were submitted for the 2010 Ohio Volunteer Awards. The Community Service, Innovator, Leadership, Meritorious Service, Recruitment, and Friend of 4-H award applications were judged by a group of volunteers that were not affiliated with any of the counties that the applications were submitted from.

The Hall of Fame award applications were judged by three volunteers from other states. I wanted these "judges" to be as objective as possible about the nominees for this award.
