

**Appendix O**  
**4-H Member Restricted Release**  
(Approved by Administrative Cabinet 10/95)

We understand that some parents have restricted rights in terms of access to their children. To accommodate this situation, the following statement will be added to 4-H registration materials:

*We understand that there are situations where parents have a right to restrict who will pick up their child at the end of a program. If you need to restrict who picks up your child, you must do so in writing and attach it to this registration.*

This will create a piece of paper for each child who is restricted, it can be copied and given to the person who will “check out” the restricted child/children. We will also need to communicate with the parents who send in restrictions, to let them know where to pick up their child. All “restricted” children could wait to be released at one central spot, such as the dining hall or some other out of the way spot where you can control access. The following is a sample from that you can use to confirm arrangements if you wish to:
