# Application Form

## 4-H Space Adventure Camp

4-H Space Adventure Camp is for boys and girls ages 11 to 13 and/or students who were fifth to seventh graders during the past school year. They will have the opportunity to explore the world of flight and science as they build and test flying machines, conduct computer flight simulations, learn about the principles of aerodynamics and gain an overview of the development of the space flight program.

The three action-packed days will take girls and boys through an exciting adventure in "hands-on" learning including:

- ◆ Building and flying hot air balloons, model rockets and other "things that fly."
- ◆ Touring the universe within a planetarium.
- ◆ Exploring the stars and planets.
- ◆ Computer flight simulation and space exploration.
- ◆ Enjoying the closest experience to weightlessness possible on earth (swimming).
- ◆ Conducting a model rocket launch.

## Application Deadline and Fees

The registration fee is \$175 (including a \$50 deposit). Deadline for applications is May 16, 2008. Don't delay . . . The registration fee includes:

- ◆ Housing in Marietta College dormitories
