Dear Potential State 4-H Camp Counselor:

Thank you for your interest in becoming a volunteer counselor for one of our state 4-H programs. Each year over 25,000 volunteers contribute time, energies, and talents that enable Ohio 4-H to reach over 300,000 young people and fulfill our mission of helping youth to become caring, capable, and contributing citizens.

To effectively support our Ohio 4-H members, parents, volunteers, and professionals, Ohio State University Extension has a policy concerning the selection of individuals who desire to volunteer for the organization. State 4-H camp counselors who are volunteering for a period of less than a week will: 1) receive a position description; 2) complete an application and return it to the State 4-H Office; 3) have references collected and eSorn and sex offender registry checks completed by Extension professionals; and 5) agree to and sign a volunteer standards of behavior form.

A position description, an application form, and the standards of behavior form are provided within the following pages. If you are interested in being a counselor for a state 4-H camp, please return the completed application form and standards of behavior form to Kathryn C. Pepple, State 4-H Office, 2201 Fred Taylor Dr, Columbus, OH 43210. Applications are accepted anytime until all counselor positions have been filled. Finalists for counselor positions will be contacted about interview and orientation arrangements prior to the camps. The counselor selection and invitation process for most state camps is usually completed 12 weeks prior to the camp.

Information may be updated periodically and will be kept in a secured file. This information will be kept on file for a minimum of three years following the receipt of your application or the termination of your involvement as an Ohio 4-H volunteer (whichever is longest). The release of information will follow The Ohio State University and Ohio State University Extension operating procedures and will be in accordance with Ohio law.

Working with youth in state 4-H camp programs can bring you immense satisfaction as you help them grow, learn, develop, and succeed. Additionally, volunteering as a state 4-H camp counselor provides you an opportunity to gain new skills, help others, and meet new friends. We hope that you recognize the tremendous benefits of volunteering and will join us in helping ensure that everyone involved has a positive, educational experience.

We appreciate your cooperation and look forward to potentially working with you.

Sincerely yours,

Kathryn C. Pepple
