GOALS/OBJECTIVES

Citizenship Washington Focus (CWF) is a 4-H leadership program for high school youth, ages 14-19, from across the country. Citizenship Washington Focus gives 4-H youth the opportunity to explore, develop, and refine the civic engagement skills they need to be outstanding leaders in their home communities and at the national level. Through sightseeing tours in the living classroom of Washington, D.C. and hands-on educational workshops, youth will learn about the history of our nation, the leaders who have shaped it, and how they can apply the leadership and citizenship skills they have learned at CWF when they return home.
