

## 2010 OHIO 4-H SCHOLARSHIP INFORMATION

### ***Background and Purpose***

Ohio 4-H Scholarships were established in 1976 to help young people continue their efforts toward becoming self-directing, productive, and contributing members of society. There are currently 25 scholarships being offered (see scholarship application form for complete list). One Ohio 4-H Scholarship winner is selected at the state level annually for each scholarship listed.

### ***Selection Procedures and Criteria***

A State 4-H Awards Selection Committee will select Ohio 4-H Scholarship winners at the state level.

### ***The Awards and Their Presentations***

A State 4-H "Award Announcement" will be posted in early March so that County Extension Educators can notify winners personally. Individual follow-up letters and commitment forms will be sent directly to winners after **March 20**.

Ohio 4-H Scholarship winners will be publicly recognized at the Ohio 4-H Member Recognition Banquet. Winners will receive an award plaque honoring their achievement. In addition, scholarship winners will receive their scholarship monies sometime after their first quarter in college. The monies are generally credited three times a year to the appropriate college admissions office where it is applied directly to the cost of the winner's college tuition.
