

~ Ohio 4-H International Programs ~ Celebrating 62 Years!

At-A-Glance!

Open Your World! Ohio 4-H International Exchange Programs are among the largest and most successful in the country. Ohio families host exchangees from around the world, and Ohio youth & adults travel abroad to live and tour in a variety of countries. Host Families & Youth Travelers do not have to be 4-H members ~ in fact, they automatically *become* members by participating!

2010 Host Family Opportunities

Don't have the time and money to travel? Enjoy the exposure to different cultures which traveling brings? Looking for a low-cost project or experience in which the whole family can participate and grow together? The Ohio 4-H International Program allows families to gain the benefits of international travel right here at home, as they welcome a new son, daughter, brother or sister from another country into their homes. Host families come in many shapes and sizes and are responsible for lodging, meals, and family activities. Exchangees bring personal spending money, as well as medical and other insurance coverage. Host families are asked to "live their everyday life," and to simply treat their exchangee as a member of the family, with the same responsibilities and privileges as other members. **Note:** Families hosting any Month-Long Youth must have their own child of the same gender and approximate age.

Host Family Applications should be submitted as soon as possible and by February 28 for first-choice placements. Applications are accepted until all exchangees are placed, which is usually March for girls and May for boys.

The 2010 exchange visitors to Ohio will include:
