

SEED TO BLOOM Ag-STEM INSTITUTE
Agriculture, Science, Technology, Engineering and Mathematics (Ag-STEM)
Residential Summer Camp
STUDENT APPLICATION FORM 2017

Central State University, Wilberforce, OH 45384
June 11-June 23, 2017

Camp Information:

The SEED TO BLOOM Ag-STEM Institute is designed to provide activities, experiments, projects, and field experiences for students entering 6th, 7th, or 8th grade in the fall of 2017. **Students attend the camp free of charge.**

The SEED TO BLOOM Ag-STEM Institute is a two-week, academic, and residential camp. The camp will provide youth professional development, leadership skills, civic engagement, and mentoring activities that prepare young people to make positive impact in their communities. Participating students will experience major areas of STEM courses and their interconnectivity to agriculture in addition to the Youth Professional Development courses in alignment with nationally recognized 4-H programs. Field trips to partnering agricultural-based industries will be part of the camp. Selection criteria will include GPA requirements, having an interest in STEM related careers, letters of recommendations and an essay.

The camp will be held on the campus of **Central State University, 1400 Brush Row Rd, Wilberforce, Ohio 45384**. Students will be housed in a dorm on the university's campus.

Application Process:

- Parent/Guardian and student complete the attached student application form.
- Recommendation forms.
- Student writes a one (1) page essay.
- Parent/Guardian or student gives the request for records to your child's school registrar.

The above requested documents are to be sent to **Central State University/SEED TO BLOOM Ag-STEM Institute, Attention: Gorgui Ndao, PO Box 1004, Wilberforce, OH 45384**. The Student Application Form, Records and Recommendations are due by the **DEADLINE** date, **MAY 12, 2017**. *All requested documents **MUST** be **returned together**.* If we have not received all requested documents by the deadline date, the application will not be considered. Selections for the SEED TO BLOOM Ag-STEM Institute will be made on or around May 19, 2017. You will receive written notification on the status of the application on or around May 26, 2017. If you have any questions or need additional information, please call Mr. Gorgui Ndao at 937-376-6265 or via email at gndao@centralstate.edu.

INCOMPLETE APPLICATIONS MAY NOT BE CONSIDERED

SEED TO BLOOM Ag-STEM Institute
Agriculture, Science, Technology, Engineering and Mathematics (Ag-STEM)
Summer Residential Camp

June 11 – June 23, 2017
Central State University, Wilberforce, Ohio

Application Process: The application consists of four sections. The application sections are (1) the **Student Application** form, (2) the **Recommendation Forms** (3) **Student Essay**, and (4) the **Student's School Records** to be requested and sent from the school registrar by the parent/guardian with all other documents. Instructions are provided for the teachers to complete and return the recommendation. All four sections must be postmarked by **May 12, 2017** for the student to be considered for a scholarship to attend the Camp. **All paperwork MUST be submitted together.**

Incomplete applications MAY NOT be considered.

If all requested documents have not been received by the deadline date, the application may not be considered. Selections for the SEED TO BLOOM Ag-STEM Institute will be made soon after the deadline. Families will receive written notification on the status of the student's application on or around **May 26, 2017**. If you have questions or need additional information, contact Mr. Gorgui Ndao.

Purpose: The SEED TO BLOOM Ag-STEM Institute is designed to provide youth professional development and mentoring activities that prepare young people to make positive impact in their communities.

Program: The SEED TO BLOOM Ag-STEM Institute is a two-week academic, residential camp. Participating students will experience major areas of STEM courses and their interconnectivity to agriculture in addition to the Youth Professional Development courses in alignment with nationally recognized 4-H programs. Field trips to partnering agricultural-based industries will be part of the camp.

Camp Location: The camp will be held on the Central State University campus in Wilberforce, Ohio. Housing and meals will be provided by the university. Parents/Guardians are responsible for their student's transportation to and from the program.

Recommendation from Current SCIENCE Teacher
For a Student applying for the
SEED TO BLOOM Ag-STEM Institute
Central State University

Name of Teacher: _____

Directions to teacher:

The student who has given you this form is applying to attend the SEED TO BLOOM Ag- STEM Institute this summer. You have taught this student, so you can tell if she/he is a good candidate for this two-week residential program. Please complete the chart below and write a letter of recommendation (optional) for this student. **When you finish, put this form into an envelope, seal it, and write your name across the sealed flap, so that your answers will be private.** **Please return the sealed envelope to the student/parent or guardian as soon as possible.** *Students/Parents or Guardian are responsible for returning completed application.*

Name of Student: _____

Course taken with this teacher: Subject _____ Year 2016-2017

Please put an **X** in the appropriate column for each of the following statements:

| Statements: | Very much | Often | Sometimes | Rarely | Never |
|--|-----------|-------|-----------|--------|-------|
| This student was eager to learn | | | | | |
| This student cared about other students | | | | | |
| This student was late to class | | | | | |
| This student skipped classes | | | | | |
| This student turned in homework and projects on time | | | | | |
| This student participated in class and group activities | | | | | |
| This student participated in co-curricular activities (science fair, etc.) | | | | | |
| This student volunteered to help other students | | | | | |
| This student was an asset to the class | | | | | |

Check the best answer to the following question:

Would you like to teach this student in another class?

- Yes, definitely
- Maybe
- Definitely not
- Check the box if you would you recommend student to participate in the Summer Science Camp

Note: On the back of this sheet, please write 2-3 sentences about the student. Your comments will be especially useful in the selection process. Thank you.
