Camp is filling up and we will be holding firm on the June 1st deadline. Please help us continue to promote camp up until June 1st. We're going to have a great group of campers and counselors and a lot fun and educational activities. Registration forms and more information about [Sea Camp](#) is available online as well as a [groovy flyer](#) that can be shared with potential campers or parents!

Ohio 4-H Health and Safety Speaking Materials

For 2017, registration will be open to all interested youth. Counties will be encouraged to continue with a health and safety speaking/communications program event (i.e., county-wide contest, one-on-one presentations with educators/program coordinator/ program assistant on the county level), but this is not required. This means 4-H'ers may participate in one of the preliminary Health & Safety Speaking Contests without a county elimination or qualifying event. Materials can be found on the intranet at the [resources page](#) under Ohio State Fair.
