Farm Credit Mid-America Scholarships

Farm Credit Mid-America is taking applications for scholarships from now through the end of January.

Each year, we award more than 60 \$1,000 scholarships to college students who are studying agriculture or finance and attending technical or four-year colleges. The application is open to children or grandchildren of Farm Credit customers.

More information on the scholarship program and the application can be found on our website at www.e-farmcredit.com/scholarships.
